JANUARY 2021

SENIOR PRESIDENT'S UPDATE

I hope everyone has a great start to the new year! The NYCHA has an exciting announcement to make as we begin working to connect with other youth organizations. In the last couple of months we have started communicating and creating a relationship with the AQHYA Youth Outreach Committee. The Senior Officers were able to meet with the committee over Zoom. This is a great start to one of our goals that the NYCHA has this year to work with other youth organizations. We

worked together to create ideas of how to talk to other organizations, which organizations to talk to, and had a wonderful time getting to know each other. We are so excited for this new opportunity and cannot wait to continue creating relationships.

REGION 6 DIRECTOR'S UPDATE

Hello fellow NYCHA members,

The 2020 NYCHA World Championship Futurity season has officially been brought to a conclusion, and I'd say that it was truly one for the books. Congratulations to the finalists, including all of our youth that participated! I'm sure that everyone who was unable to partake in this astounding show (including myself), are just as eager as I am to get back into the sandbox and dance around. Luckily for us, now we can! Weekend shows have now been inaugurated, as well as aged-events. This also indicates that a new hauling year has been set into motion for all classes besides ours. If any of you kiddos are thinking about making top 15 in something other than the youth, go for it!

As for the 2020-2021 point year, we have 5 months left to go. Get in those shows and make it count, you've got this! I wish everyone safe travels, and the best of luck. If any of y'all have any questions or concerns, feel free to contact me with my information provided below. God bless!

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

JUNIOR REPORTER'S UPDATE

Hey NYCHA! Happy New Year!! Welcome to 2021. This month we kick off the beginning of the hauling year. However, the 2021 point year is only halfway through. We have plenty of big shows taking place this month. There is the Abilene Spectacular going from January 4-10.

Then, the Augusta Futurity from January 17-23. Last, but most certainly not least, there is the Ike from January 27 to February 7. While these are all very exciting, don't forget to check your weekend events calendar and attend as many weekend shows as you can! I'd like to end on that note and wish everyone safe travels! If you have any questions or article additions, feel free to contact me.

NYCHA ANNOUNCEMENT

The National Cutting Horse Association (NCHA) is proud to announce two new programs beginning in June 2021 for the National Youth Cutting Horse Association (NYCHA) members. The Student Athlete of the Quarter and Equine Athlete of the Quarter will highlight NYCHA's extraordinary equine and student athletes.

Each quarter, NCHA will recognize and honor two Youth student athletes—one boy and one girl—and two Youth equine athletes. The awards aim to recognize impeccable sportsmanship, participation in activities both in and out of the arena, along with success in the cutting pen.

Recognition will qualify each recipient (students and riders of selected equines) for one of four \$500 scholarships, which will be presented at the 2022 NYCHA Youth Week Convention Banquet. In addition, as the Equine Athlete of the Quarter official sponsor, Dennis Moreland Tack will donate custom silver headstalls to each of the equine athletes chosen.

Applications for the Student Athlete of the Quarter and Equine Athlete of the Quarter will be available online at nchacutting.com/youth in the coming weeks. Applicants must submit completed forms to the NCHA office by May 1, 2021; selections for 2021/2022 will be made for June 1, September 1, December 1 and March 1.

Winners for each quarter, along with the sponsors, will be featured in the NYCHA Monthly Newsletter, on the NYCHA official webpage and social media, and in the Cutting Horse Chatter. Additionally, winners will be displayed on the big screen during the NCHA Foundation Youth Scholarship Cutting and NCHA Youth World Finals.

If you're interested in being a corporate sponsor for the Student Athlete of the Quarter, please contact Mike Simmons, Director of Youth, at msimmons@nchacutting.com or 303-472-4326 for current opportunities.
