Senior Vice President

Hey NYCHA!

I hope y'all had a great Christmas and New Years! The San Antonio Stock Show and Rodeo and the Houston Livestock Show and Rodeo are right around the corner. I know for many of us, these shows are tons of fun as well as great for the haulers. They are definitely ones you don't want to miss out on! I would like to congratulate all of the Futurity and World Finals Competitors. What a way to end the season for everyone!

Don't forget it's that time of year again when everyone gets sick so make sure to stay healthy, so we can all keep tearing up those roads and racking up the checks.

Good luck to everyone this year, and if you ever have any questions, please feel free to contact me.

Junior Vice President

That 's a wrap for the 2021 season! I can't believe how fast time flies. I'm excited to get showing and I hope to see some of you down the road. I wish everyone good luck with showing and to just have a great year in general. Thank you to all the generous stallion owners, and all the sponsors of the NYCHA. I'm excited to see what the NYCHA can bring to the table this year and see what we can do, best of luck!

Hey everyone, as we have been getting back to cutting this new year, I would like to thank some very generous members that have been sponsoring some of the fresh cows for our youth classes. I would like to thank Missy Lyons, Cassey Crouch, James Todd, and Rapp Ranch these are just a few of our greatly appreciated sponsors. They continually go out of their way to support today's youth. I would also like to thank all the stallion owner that so kindly donated breeding to our stallion auction. Without the continued support of so many the NYCHA could not thrive like it does.

Stay safe going down the roads and good luck this month.

Hey, y'all

This month I would like to take a moment to address some of the changes that will be happening at the Eastern Nationals this year. There is a lot of excitement around West Monroe, Louisiana being the new venue of choice held at the legendary Ike Hamilton Expo Center. This year's activities will include family fun night and the costume cutting contest. The youth officer committee is currently working on adding a new fun activity for all ages this year young and old. All the kinks are not worked out yet but details will come as soon as plans are finalized. I hope everyone has a great show season.

Thank you,

The Annie Kate White

NYCHA Junior Secretary/Treasurer

Happy new year Area 10! I hope everyone has had a good start to the 2022 hauling year. We have had some great shows already! We would like to say a big THANK YOU to Marcy Blanchard and The Three Amigos CHA for putting on a Jr and Sr scholarship youth cutting down in Gonzales, Texas. Marcy offered the youth to hold a bake sale in order to add an additional money to the scholarship fund. OH BOY, did our youth show up and show out! Thanks to everyone's contributions and hard work to raise a total of 1,149 dollars and other genus donations, the Trey Hunt scholarship continues to grow, again thank you to the youth who participated in the bake sale! We hope to do another one soon!
