### SENIOR PRESIDENT'S UPDATE

Hey everyone, as futurity season is approaching so is the stallion auction! This is our biggest fundraiser and is very important for our youth program. The youth board, junior officers, and area directors have all been working very hard to get it set up and I am so proud of everyone. We are very grateful for the wonderful stallion owners who have donated a breeding and this would not be possible without them. I encourage all of the youth

to share the NYCHA post about the studs on social media to let others know that bidding is now open!

Thank you,  
Claire Shelton

Hey NYCHA!!

Thanksgiving is a perfect time to reflect on all that we have to be thankful for. I know I personally am thankful for my family, my friends, the sport of cutting, and my horses. I know the futurity has started and we are all enjoying watching it. There is some great competition and amazing horses. I want to give a big shout out to PK Cutters for showing the kids a great time with all the fun Halloween activities.

## SENIOR REPORTER'S UPDATE

Happy Holidays NYCHA!

Wow, time sure does fly. I can't believe winter is upon us, and with that comes the Futurity! I'm so excited and hope to see a lot of you there. For those unable to attend this year I suggest tuning in to the PHC live feed. Mare owners need to check out the NYCHA stallion page for some proven stallions. The youth did a great job of getting donations and once again thanks to the stallion donors we appreciate all of your contributions to our program.

Jill Jarvis,  
NYCHA Senior Reporter

## REGION 5 DIRECTOR'S UPDATE

We are getting super excited for the holidays that are almost here! Don't forget that the stallion auction will continue to go on through January 15th! Region 5 shows will start again in January with the Augusta Futurity! The NCHA futurity show is happening right now in Fort Worth and we hope to see you all there! Hope everyone has a Happy Thanksgiving and a Merry Christmas :)

## REGION 6 DIRECTOR'S UPDATE

Hello all NYCHA members!!

We are now in the middle of our annual NCHA Futurity, and though the upcoming conclusion may be disheartening, this does in fact mean that our weekend shows will soon resume. Therefore, as for now, there is not much going on in my region. However, I hope to see each and every one of you back in the show pen as soon as January arrives! If you have any questions, feel free to contact me! Stay safe and Happy Holidays!

## JUNIOR VICE PRESIDENT'S UPDATE

Hey everyone

Jr. VP is here and ready to give you my update. I was in Lumberton, North Carolina for the Tobacco Road Futurity Congress Show. The show had a talented group of riders for the youth classes and fresh cattle. On the weekend they gave out the awards for the show for each class, participants also received nice horse sheets. The Grand Champ for the youth was Makena Newton, riding Metallic Edda and the Reserve Champion was Parker Reynolds, riding MK Jessi Ray. Grand Champ won a nice leather jacket. Reserve Champ won a new bronc halter. Then the other riders were gifted with new halters and lead ropes. A huge thank you to all who put this event on and sponsored the youth.

## JUNIOR REPORTER'S UPDATE

Hey NYCHA! We are now in the month of December, and that means we are right in the middle of our Futurity. Although this means our beloved weekend shows are still at a halt, they will soon be resuming once we make it to January. I would like to formally congratulate all of our Futurity champions and world finalists, especially those of you who are members of our very own NYCHA. On another note, our annual Stallion Auction is underway, so if you know of anyone who would either like to make a late donation or buy a breeding, let them know we have some big time studs! Everyone continue to stay safe during these trying times, and if you can, try to make your way over to the Will Rogers. We sure would love to see you! If you have any questions or interesting additions to future articles, feel free to contact me at any time. I hope everyone has a Merry Christmas and a Happy New Year!
