NOVEMBER 2020

SENIOR PRESIDENT'S UPDATE

Hey guys, this month I want to highlight my own area, Area 9, for the coat fundraiser they are having. This is their second annual community service that will be held at the end of October. The coats will be collected at the PK Cutters show in Graham, Texas from October 31-November 1. If you can not make it to the show you can still send in coats, jackets, or even donate money to purchase jackets. Giving back to those in need is one of the most important

things we can do as an association and I am so proud of these members who organized this service project and those who will be donating.

2 Corinthians 9:6-7

“Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.”

Hey NYCHA!

It snowed today up in Minnesota and it's supposed to be 5 degrees at my next show, that means it's time to get the horses blankets out! As you probably know the annual Stallion Auction Fundraiser is coming up soon so try to think of some stallions owners that would donate, and good luck!

REGION 6 DIRECTOR'S UPDATE

Hello NYCHA.

Unfortunately, I am writing to you all as the annual break from shows approaches. However, the silver lining here is that this means the highly anticipated Futurity is upon us. How exciting is that? I hope all of you can make it down to watch any and all classes, including World Finals. I want to wish all of you concluding a hauling year good luck.

Please check your weekend events calendar and see what shows you can attend (especially those here in Texas)! Finish your 2020 with a bang! Stay safe and happy holidays! If you have any questions, feel free to contact me.

REGION 8 DIRECTOR'S UPDATE

It is finally starting to cool off in Oklahoma and we are hoping for a nice rain. It has been very dry thirty days! Rain should help the cattle market and the winter wheat crops. Covid is still a big thing and hopefully a vaccine will be here soon.

JUNIOR PRESIDENT'S UPDATE

Hey NYCHA!

It's that time of year! We are starting our Stallion Auction. This is the youth's biggest fundraiser, so all donations are greatly appreciated. Not only are we looking for cutting horse breedings, we are hoping to expand the horizons and collect donations from reining, roping, cowhorses, and any western stallions. You do not have to be an officer or director to call for donations. We encourage all the youth to participate. The more the merrier! The live auction starts November 15 and ends January 15. Let's make this year the best one yet, and y'all don't forget these fundraisers are what makes our youth so successful. If you have any questions, please ask me!

JUNIOR VICE PRESIDENT'S UPDATE

Hey everyone

Jr. VP is here and ready to give you my update. I was in Lumberton, North Carolina for the Tobacco Road Futurity Congress Show. The show had a talented group of riders for the youth classes and fresh cattle. On the weekend they gave out the awards for the show for each class, participants also received nice horse sheets. The Grand Champ for the youth was Makena Newton, riding Metallic Edda and the Reserve Champion was Parker Reynolds, riding MK Jessi Ray. Grand Champ won a nice leather jacket. Reserve Champ won a new bronc halter. Then the other riders were gifted with new halters and lead ropes. A huge thank you to all who put this event on and sponsored the youth.

JUNIOR REPORTER'S UPDATE

Hey NYCHA! We are smack dab in the middle of fall, and guess what time it is? Futurity time!!! However exciting this may be, it brings about the dreaded break of our beloved weekend shows.

I believe the weekend of November 14-15 is our unfortunate cutoff. Even though our hauling year is being put on pause, the World Finals are coming up! Congratulations to any and all of you who worked hard and earned your spot in the Top 15. I hope all of you can come down to Fort Worth and watch the dirt fly! I would like to conclude on that note, and wish everyone happy holidays! If you have any questions or anything to add to an article, feel free to contact me.
